WHAT I'D RUN AT YOUR EVENT.

Three formats that turn a sim rig on a stand into something people queue for, learn from and post about. Run by a competitive sim racer and coach.

01 · 20 MIN

TELEMETRY CLINIC

Live on a big screen: how to read a lap comparison, where the time goes, and one drill to fix it.

- Stage or screen + one rig
- Racers and curious visitors
- Up to [GROUP SIZE] per session

02 · ALL DAY

FIRST-LAP COACHING CORNER

One-to-one first laps for newcomers. Seat position, braking, one clear goal per lap. Kids welcome with a parent present.

- One rig, short slots
- Beginners of any age
- [SLOTS PER HOUR]

03 · ALL DAY

HOTLAP CHALLENGE

One car, one track, a live leaderboard. The fastest laps get a short on-stage debrief at the end.

- Leaderboard screen
- Content for your socials
- Prizes: [SPONSOR / OPTIONAL]
